

Mukul Jangid
UG (II Year II Semester)
B.Tech. (Metallurgical & Materials Engineering)
Contact No: 9116008990
Email: mukul_j@mt.iitr.ac.in
Registration No: 24118042/2026

Area of Interest
Machine Learning, Data Science, Artificial Intelligence, Data Analysis, Japanese

Education

Year	Degree/Examination	Institution/Board	CGPA/ Percentage
2026	B.Tech. 2nd Year	Indian Institute of Technology, Roorkee	5.969
2024	Intermediate (Class XII)	Gurukul Shikshan sansthan	91.40 %
2022	Matriculate (Class X)	krishna vidhya mandir	90.67 %

Projects
Design and development of the conceptual prototype of Electrochemical Machining | Tinkering and Mentoring, IIT Roorkee
August 2024 - November 2024

- Electrochemical Engraving Machine a mechanical engineering and electrochemical process fusion.
- The machine, unlike traditional techniques, utilizes electrochemical reactions to engrave metal surfaces with high precision, with no physical contact or tool wear, guided by Prof. Varun Sharma (Mechanical Engineering Department) at IIT Roorkee.

Recommendation Systems for Personalized Content Discovery | Cultural Council , IIT Roorkee
June 2026

- Built a hybrid content recommendation engine combining collaborative filtering and content-based embeddings to deliver personalized discovery at scale for platform users.
- Optimized ranking pipeline using matrix factorization and neural embeddings, improving recommendation relevance through offline A/B evaluation on user interaction datasets.

Awards / Scholarships / Academic Achievements

- Received the Best Tinkering Project award at Institute Research Day 2025 organized by IIT Roorkee!

Skills

Computer languages Python, HTML, CSS, JavaScript (Basic)
Software Packages Pandas, NumPy, Scikit-learn, Matplotlib
Additional Courses Machine Learning, Probability and Statistics
Languages Known Hindi (SRW), English (SRW)

Positions of Responsibility & Extra Curriculars

Executive, Skating Vertical | Himalayan Explorer Club, IIT Roorkee
December 2025 - Present

- Encourages trekking, mountain climbing, and adventure sports by organizing expeditions.
- Cultivates values like teamwork, leadership, perseverance, and environmental consciousness in students.
- Offers scope for the development of skills in adventure and exploratory activities.
